Dear Sir:

Please enter the following preliminary amendment:

IN THE CLAIMS

Please cancel all allowed claims and add the following claims addressing subject matter in application serial number 09/860993:

Claim 21: (Added) A layered material, comprising:

a hard mask layer, and

a line dielectric layer, wherein the hard mask layer is applied in a liquid phase to a line dielectric layer, wherein the hard mask layer comprises a Si-N bond, and wherein the hard mask layer is densified such that the hard mask has an etch resistivity that is greater than an etch resistivity of the line dielectric layer.
